

OUR AIM IS TO SOURCE COCOA IN A WAY THAT HELPS FARMING FAMILIES, COUNTRIES AND THE PLANET THRIVE

SUPPORT FARMING FAMILIES

Support women and communities

by facilitating programs that improve access to healthcare, water and give agency to female heads of households.

Promote a living income for farmers

by working with experts to support the role of cocoa in improving farming families' earnings.

Prompt responsible labor practices

by implementing child labor monitoring and remediation systems, and tools to assess and respond to the risk of forced labor.

44,000+

farming families trained on the importance of avoiding child and forced labor through 2022.

SAFEGUARD THE PLANET

Protect forests

by not sourcing from protected forest areas for all our cocoa.

Improve farming practices

by offering farmers training and access to better plants and farm inputs.

Source from well-managed farms

by facilitating business training for farmer group management teams.

40,000+

farmers trained on improved agricultural practices in Côte d'Ivoire, Ghana, Nigeria and the Dominican Republic through 2022.

PROVIDE TRUSTWORTHY COCOA

Source cocoa tailored to client needs

by providing beans that meet specific customer sustainability requirements.

Enable clients to track their sustainability journey

by offering access to a sustainability monitoring platform.

Offer traceability to farm

by mapping our direct supply chain back to farm in Ivory Coast and Ghana by 2024.

50,000+

cocoa plot boundaries mapped through 2022.
