

SUPPORT FARMING FAMILIES

Support women and communities

by facilitating programs that improve access to healthcare, water and give agency to female heads of households.

Promote a living income for farmers

by working with experts to support the role of cocoa in improving farming families' earnings.

Prompt responsible labor practices

by implementing child labor monitoring and remediation systems, and tools to assess and respond to the risk of forced labor.

95,000+

households covered by child labor monitoring and remediation systems through 2024.

SAFEGUARD THE PLANET

Preserve forests

by assessing the direct supply chain for deforestation risk and compliance, in addition to implementing forest restoration projects.

Improve farming practices

by offering farmers training and access to better plants and farm inputs.

Source from well-managed farms

by facilitating business training for farmer group management teams.

83,000+

farmers trained or coached on improved agricultural practices in Côte d'Ivoire, Ghana, Nigeria, the Dominican Republic and Ecuador through 2024.

PROVIDE TRUSTWORTHY COCOA

Source cocoa tailored to client needs

by providing beans that meet specific customer sustainability requirements.

Enable clients to track their sustainability progress

with customized reports, leveraging our field presence and close partnerships to provide meaningful insights.

Offer traceability to farm

by mapping our direct supply chain back to the farm in six countries.

124,000+

cocoa farm boundaries mapped through 2024.
